GAS, HEARTBURN, INDIGESTION OR A SICK STOMACH

"Pape's Diapiesin" Ends All Stomach Distress in Five Minutes

Time It! Pape's Diapiesin will digest anything you eat and overcome a sour, gassy or out-of-order stomach surely within five minutes.
If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapiesin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapiesin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home—adv.

WELL-KNOWN 'FRISCO PAINTER SHOTS HERSELF

(Associated Press via Federal Wireless)
SAN FRANCISCO, Cal., Jan. 21.—Art and bohemian circles were startled here last night when news was circulated of an attempt to commit suicide by Betty de Jong, a well known painter.

The consternation was intensified when the name of Dr. William Porter of Oakland was connected with that of the girl who had tried to kill herself, and the explanation of the physician that he had been with the artist in her studio for three hours preceding the effort at self-destruction.

Dr. Porter, in a statement made to the police, stated that he had called upon Miss de Jong and found her despondent, seized with a suicidal intent and determined to end her own life. He remained with her for three hours, attempting to dissipate this idea, engaging her in conversation and arguing with her as to the folly of suicide.

Later she shot herself in the temple. Betty de Jong was known widely for her work. She was among those who won praise for the exhibit she made at the Panama-Pacific Exposition.

SAN FRANCISCO, Jan. 22.—Betty de Jong, the well known painter who shot herself Saturday evening, died this morning.

NEED OF MORE EQUIPMENT FOR PLAYGROUNDS

(Continued from Page 9)

several special gifts, make necessary repairs. In addition, the children in most of the kindergartens have brought all the rice used for the lunches. The appreciation of the value of the kindergartens shown by the parents in these gifts is very gratifying.

"The year that has passed was a very satisfactory one for the kindergartens. In the absence of the supervisor, Mrs. Bowen and the directors of the various schools carried the work along in a most successful manner. Every kindergarten opened last September in splendid condition. The association was very fortunate to secure the services of such a rare personality as Mrs. Bowen for a year. The inspiration and assistance the teachers received from her is apparent on all sides.

"The health of the children in all the kindergartens has been well looked after by the nursing department of the Palama settlement. There were few serious cases of illness, the majority under treatment only for slight bruises and ailments which were quickly cured. The work done by this department is deserving of much praise as we who see the results from year to year can testify. The nurses go in and out of the homes teaching the mothers how to care for and feed their children, and the result is encouraging, although there is still much to be done.

"There has only been one change in the directorship of the kindergartens this year. Mrs. Smith of the Kailua kindergarten resigned last spring to be married and Miss Harriet Lucas substituted until the close of school in June. In September the vacancy was filled by Mrs. May Berry, a member of the class of 1916.

"Last year we were able to enlarge the Palama kindergarten because of the additional room afforded by a new pavilion on the playground. An assistant director was added to the teaching force, and we had virtually two kindergartens. This year the settlement is using the building all day so we have had to reduce the kindergarten to its original size. In time the settlement is hoping to have a new building which will give the kindergartens more conveniences.

"The Miller street kindergarten has secured the use of the empty lot adjoining for a playground. It has been plowed and graded and will not only improve the looks of the street, but furnish a much needed play space for the children.

"The Muriel kindergarten is now our largest school and most of the children are Hawaiian. Through the generosity of the Juliet Atherton fund, arrangements have been made to erect a pavilion on the playground for the use of the children, adding much to the efficiency of this kindergarten.

"The Kauluwela kindergarten has had a new coat of paint as well as necessary repairs through the continued kindness of Miss Alice Cooke. A rummage sale given by the director netted \$140, which was used for improvements and new equipment.

"The Beretania kindergarten is looking forward to new quarters in a new building now being planned for the settlement, although it manages very well in its present place with the playground across the street for a breathing space.

"The Fort street kindergarten makes its home very comfortably in the Chinese church on Fort street. The little pavilions on in the yard furnish all the protection from the sun and rain necessary.

"The kindergarten training school graduated four young women during the past year, Mrs. May Berry, Miss Myrtle Hanna, Miss Geraldine Berg and Miss Marion Chapin. Mrs. Berry has the Kailua kindergarten, Miss Hanna has accepted a position as director of a kindergarten in Kailua, Maui, while the other two graduates are assisting in our kindergartens and playgrounds.

"The senior class consists of three members, Miss Mabel Taylor, Miss Elsie Meinecke and Miss Alice Hoogs. The junior class has four members. "An effort is being made to correlate the work of the kindergarten and the playground, the students having an opportunity to practise in both before graduation and to specialize in either.

"The year has been one of growth and expansion. As new needs develop in the various kindergartens we find some means of meeting them through the continued kindness of the many friends of little children in Honolulu. We are grateful for the sympathetic and intelligent interest the directors, and especially our president, take in the kindergartens. It lightens the task of the teachers and makes all the work more effective.

"Your supervisor wishes to take this occasion to express her sincere appreciation of the year's leave of absence given her. Most of the time was spent in New York studying at the School of Philanthropy and Teachers' College, every moment of which was full of rich experiences. The contact with modern educational thought was most stimulating and she hopes she has been able to bring a new enthusiasm to the kindergartens and playgrounds."
